

NCITE Geometric Design Committee

Meeting Minutes

May 23, 2007

Attendees

Joe Gustafson	Scott County
Marc Briese	City of Woodbury
David Kuebler	City of St. Paul
Bill Klingbeil	HR Green
David Juliff	SRF
Joe Weaver	TKDA
Jack Broz	HR Green

I. Round Robin

- A. The group discussed the following topics of interest that could be used for future meetings.
 - 1. Clear Zones and the contrast in design criteria from 40 mph to 45 mph (low to high speed).
 - 2. Hiawatha LRT – lessons learned.
 - 3. Central Corridor
 - 4. Midtown Greenway.
 - 5. Livable communities

II. Main Topic

- A. Super Two's – the topic was postponed due to the absence of key presenters.
- B. Centerline rumble strips
 - 1. Marc Briese of the City of Woodbury presented his master's thesis on the topic of centerline rumble strips.
 - 2. Mr. Briese's paper will be posted on the NCITE website for members interested in the topic to view. Disclaimer: The views expressed in this paper are solely the opinions of the author, and should not be interpreted as official or unofficial Mn/DOT positions.
 - 3. The committee was encouraged by the results of the report and would like to further explore the topic.
- C. Next Meeting
 - 1. Topics: Super Twos and "The Magical Speed of 45 MPH"
 - 2. Wednesday July 25, 2007 8-10 AM at the Howard R. Green Company office in St. Paul (2550 University Ave. W, Suite 400 N, St. Paul, MN 55114)
